Information/Discussion

- MSC K. Foster/Y. Bergland to recommend to the Academic Senate P. Hjorth-Gustin for the 2003-2004 curriculum committee chair.
- Y. Bergland reported that CIC approved the endorsed "Catalog Entry" for the catalog description of the AA Selected Studies Degree. The procedures and process of implementing the changes are now being developed.
- A General Education Review Task Group is being formed and will include the Selected Studies subcommittee members as well as a faculty member from each academic and vocational area, an articulation officer and/or counselor from each college.
- A recent legal opinion states that "W's" cannot be repeated. This interpretation significantly impacts the FTES apportionment and CIC has requested clarification from the State Chancellor's Office.
- Two handouts were distributed that listed the courses approved/rejected by IGETC and CSU transfer for fall 2003. E. Armstrong and the committee thanked C. Buck for her meticulous preparation of these materials to IGETC and CSU.

- ◄ A memo from the California Community Colleges Chancellor's Office regarding the availability of the Second Edition of the *Program and Course Approval Handbook* was distributed. It was requested this memo be placed in member's notebooks as a reference for the website location of the handbook. http://www.cccco.edu/divisions/esed/aa_ir/aa_ir.htm
- ◄ A CurricUNET handout was distributed in regards to its unavailability from April 4, 5:00pm until Monday morning, April 7 due to a server change.
- ◄ The four handouts mentioned above will be distributed to absentee committee members.
- * MSC K. Foster/C. DuPraw to adjourn the meeting at 4:00 p.m.
