Information/Discussion

J. Ellis noted that she had a later revision of the CIC Priorities Handout than the one distributed but the only change was moving point A. Reassigned time for CurricuNET trainers to point C. She noted that the list would be reviewed on a yearly basis by CIC. L. Kelly suggested that an additional item be added regarding the separation of curriculum between the three colleges.

As an FYI Ken Fawson's e-mail of 5/1/00 regarding Transfer Studies Degree Requirements was distributed. Also distributed was the 4/24/00 e-mail from Diane Thornton regarding the revised language for the additional College Degree.

The Curriculum Chair position for 2000-2002 is open. J. Ellis is recruiting a candidate to fill this position. All suggestions are welcome.

The meeting was adjourned at 4:05 pm.
