Information/Discussion

W. Tappen informed the committee that a TMI proposal for a course must be submitted to CIC individually by each college. Other colleges offering a course as a TMI does not allow Mesa to offer that course as a TMI course until someone at Mesa submits a TMI proposal and the Mesa Curriculum Committee approves the Mesa proposal.

The new draft of the proposed addendum to the catalog was circulated. It was noted that the addendum has several errors. For further review and/or comments committee members may contact W. Tappen.

The 290 & 296 draft course outlines are still under discussion at CIC. It was noted that the 290 outline needs the (FT) notation as field trips are included in the METHODS OF INSTRUCTION. Committee members may contact W. Tappen with any other comments/concerns.

R. Dewes inquired if the curriculum committee can be proactive in regards to IGETC (HIST 100 & 101). This item will be placed on the committee's November 2 agenda.

MSC C. Buck/Y. Bergland to adjourn at 4:15pm.
