Information/Discussion

- ◄ The State Chancellor's email regarding the "Selected Studies" degree was reviewed and discussed. It was noted that the email is for information only and that SDCCD has not been cited. CIC would like to be pro-active in finding a solution to this challenge. W. Tappen requested that Committee members submit concerns and recommendations to him as they give this issue further review.
- ◄ L. Corbin informed the committee that Mesa's portion of integrating proposals is moving slowly with many proposals still in the pre-launch stage. She has requested the deans to identify and prioritize Mesa only courses in their disciplines. Some Mesa faculty are still working on aligned course proposals and W. Tappen stated he wants credit given to Mesa for these aligned courses as well.

MSC P. Fischer/L. Corbin to adjourn the meeting at 4:25 p.m.
