Agenda/Minutes

- * J. Estep welcomed everyone.
- * MSC M. Cox/B.Malinis to approve the September 21, 2023 agenda with the addition of Information Item 2.14 AB 928 Public Comment Meeting-11/15/2023 – J. Estep
- * MSC M. Cox/N. Resch to approve the September 7, 2023 minutes with the correction of information item “J. Estep noted the change to the NAIS Subject Area Indicator is only a change of the letter “I” from Indigenous to Indian. M. Cox reported the indicator will not be changed.” to " J. Estep noted the change to the NAIS Subject Area Indicator is only a change of the letter “I” from Indigenous to Indian M. Cox reported that he has been in contact recently with the NAIS faculty member at City College (the only person in this discipline in the District) about this issue. He is opposed to changing the "I" from Indigenous to Indian for a number of reasons. The phrase "Native American Indian Studies" is not used by anyone, is redundant, and is not reflective of either academic or community norms as they now stand. The City College NAIS faculty member has not been approached by anyone at City College about changing the designator and is thus proceeding with the current designator as he creates curriculum."
- * There were 3 abstentions.

Information

- * J. Estep reported J. Crocitti has agreed to be Mesa’s representative on CIC’s Policies and Procedures committee. J. Estep noted next Thursday (September 28, 2023) is the CIC deadline for the 24-25 Catalog. CIC has created a subcommittee for program viability for all certificates and degrees and for gainful employment compliance. The subcommittee consists of the four CRC chairs and a district representative. I. O’Connor thanked J. Estep for being on this subcommittee. CIC information/files are available online at the [BoardDocs](#) website.
- * The Two and Six Year Reviews handout has information as of May 2023 so CurricUNET proposals done during the summer do not appear in the report.
- * The Active But Not Offered Curriculum handout does not take into account that some of the courses listed are new and therefore have not as of yet been offered.
- * J. Estep informed the committee the Mesa Academic Senate did not have any curriculum items on its agenda.
- * Mesa’s Physical Therapist Assistant Baccalaureate Degree has been submitted to the Chancellor’s Office for approval and J. Estep has invited Dean Storey to give a short presentation of the degree to the committee.

- * The fall membership is still in flux and a membership chart will be emailed to members when it has been finalized. J. Estep welcomed I. Cross from Child Development as a new member to the CRC committee.
- * There was no Ethnic Studies update.
- * I. O'Connor gave an AB 1111 PowerPoint presentation and made general comments as it was being shown. The PowerPoint presentation was emailed to members. And members are encouraged to share the presentation with others.
- * J. Estep reported City's FJMP 125 course proposal which Mesa did not support has been removed from CurricUNET.
- * T. Whitfield approves the request to add to CPL to Mesa's ARCH 107 course and a vote by CRC members is now needed.
- * MSC M. Romero/C. Kinney to approve and submit ARCH 107 CPL to CIC.
- * The District's work experience handout lists the impacts and shows the recommended changes that need to be made in order to comply with the new work experience changes. A vote is requested to have District make these changes.
- * MSC M. Romero/C. Worthington to approve the District's Work Experience adjustments to Mesa's courses.
- * The District handout of English and Math courses impacted by AB 1705 was discussed. An updated/corrected handout will be emailed to members.
- * MSC C. Kinney/C. Worthington to approve District making the changes administratively to Mesa's courses.
- * J. Estep announced public comments on AB 928 (Cal-GETC) can now be entered at the [Public Comment Website](#) until November 15, 2023.
