### Minutes/Agenda

- \* MSC J. Ellis/A. Hoffman to approve the agenda for October 21, 2010.
- \* MSC J. Ellis/M. Fritch to approve the minutes of October 7, 2010.

### Welcome/Announcements

- \* M. Parsons welcomed guests and introduced L. Stickel, the Associated Student Representative for the Curriculum Review Committee. Self-introductions were made.

### Information

- \* M. Parsons informed the committee she has not had the opportunity of taking the issues regarding Six Year Review to CIC as CIC has not had a meeting – only virtual voting has been done for the last three meetings. It was suggested M. Parsons contact Stephanie Low at the state level to clarify if vocational programs are to have a review every two years or every three years. It was noted the Six Year Review Report in CurricUNET does not include integration information until the course becomes active – not when it has been CIC approved. It was suggested the report be adjusted to include integration information as soon as it has been CIC approved. M. Parsons will include the report issue with the discipline deans and their responsibilities agenda item she has requested be placed on the next CIC agenda.
- \* MSC Y. Bergland/A. Hoffman to rescind the vote for the approval of City's PHYE 242 aligned revision so it can be reviewed at the discipline level.

## Committees/Discussion/Handouts

- \* Approval from the state has been received for the stand alone approvals by Mesa.
- \* The CurricUNET Steering Committee will be meeting on October 29.
- \* There were no reports from Curriculum Coordinator/Tech Review, Catalog Subcommittee or Basic Skills.
- \* J. Parker presented the highlights of the email distributed handouts.
  - In May 2010, the CSU standardized the credit it awards for external exams (AP, CLEP, IB) system-wide for use in general education and/or American Institutions. In an effort to provide a seamless transfer process for students, CCCs are working to standardize external exam credit awarded in general education. The goal is to align the credit awarded with the CSU. There will be resolutions presented at the Fall 2010 Plenary Session to support this goal. The proposed CSUGE-IGETC-CCCGE IB list and the possible CCC GE CLEP list were briefly discussed as well as a memo on the CSU System-wide Credit for External Examinations.
  - A slide presentation of SB 1440 implementation was given and J. Parker recommends the use of Plan B which would allow a college to utilize their own existing degrees and adjust them to meet CSU transfer requirements.
  - The Lower Division Transfer Pattern (LDTP) Criminal Justice Transfer Pattern handout shows how campus specific patterns vary from college to college.
- \* The 10/14//10 CIC Action Summary was distributed via email.
- \* MSC J. Parker/J. Ellis to adjourn the meeting at 4:20 pm.
