Agenda/Minutes

- * MSC A. Saballett/C. Kinney to approve the March 2, 2023 agenda.
- * MSC L. Hensley/C. Kinney to approve the February 16, 2023 minutes. There were 3 abstentions.
- * J. Estep welcomed everyone and self-introductions were made.

Information

- * J. Estep informed the committee he is still looking for members. For Spring 2023 the CRC membership has been adjusted to include C. Worthington as the student representative. M. Romero continues to represent the school of Health Sciences and Public Service. An updated committee Spring 2023 membership list will be emailed to members.
- * J. Estep reported CIC approved Miramar's Public Safety Management (PSMA) subject indicator and displayed the Methods of Instruction that will be listed in the new CurriQnet Meta system. Please contact J. Estep if you would like a copy of the chart. S. Hess is working on a manual for Baccalaureate degree. A procedure/policy for Credit for Prior Learning is needed to ensure all colleges are in agreement.
- * J. Estep reported due to the President's holiday there is no Mesa Academic Senate report.
- * J. Estep reiterated Mesa Baccalaureate Degrees will be a standard item on the agenda and currently there are no updates.
- * I. O'Connor informed the committee she is pleased with the progress the AB 1111 State Taskforce is making. The common course numbering does not mean the course has to have the exact same Course Outline of Record (COR) but needs to be comparable and "aligned courses" is interpreted differently at colleges that have multiple campuses. The committee feels a good starting point would be the general education (GE) courses and is looking into what work groups would be needed to implement the changes in course numbering.

Legislative Information

It was requested that members check the Chancellor's website for updates on these initiatives.
