Update on Approved Courses and TMCs

Presently, 83 CCCs have courses that have been granted C-ID numbers.

1355 courses have been granted C-ID numbers in **15 disciplines**

320 (140 AG) (+26 from May) C-ID descriptors have been approved

20 TMCs (Journalism approved but going through some fine tuning- to be posted soon)

Possibly **2 or 3** more to be considered in June or early Fall:
Computer Science
Philosophy
Spanish

385 AA-T and AS-T aligned degrees approved in the Chancellor's Office (as of 5/24/12)

Updating textbooks for Conditional Approvals can be done easily with an added "comment box" in the re-submission area to provide updated texts, authors and dates.

Help Wanted: We continue to need both CSU and CCC faculty for CoR reviews in many disciplines. Please continue to send names of potential faculty to holly@asccc.org and she will follow-up directly with the faculty.

A big thank you for all the faculty you have recommended as reviewers and in reminding your faculty to review draft descriptors & TMCs. ☺

Also, we would like to thank C-ID's Holly Deme and all of her extra efforts to assist AOs and faculty!!! ☺

NEW FINAL Descriptor Postings:
Art History (2)
Computer Science (1)
Education (1)
English
Geography
Philosophy (5)
Political Science (6)
Spanish (4)

Draft Discipline Status Report
Accounting - 2 draft descriptors (FDRG conferring in June)
Anthropology - 5 draft descriptors & TMC nearing final status
Biology – 2 draft descriptors and preparing 2 additional descriptors & TMC for vetting (FDRG conferring in June)
Communication – 1 draft descriptor (Persuasion) posted for vetting until October 15
Economics – 2 draft descriptors re-posted until June 15 (FDRG to convene)
English – 6 draft descriptors vetting until June 15 (FDRG to convene)
Kinesiology – FDRG is working on 6 draft descriptors this summer to be posted in Fall
Mathematics – 8 draft descriptors to be re-posted for vetting in fall

Faculty Disciplines Review Groups that will be completing course reviews this summer
Accounting (when finalized)
Administration of Justice
Agriculture (in some specializations)
Art History
Biology
Business
Communication Studies
Computer Science
Economics (when finalized)
English
Geography
Geology
Kinesiology
Mathematics
Music
Philosophy
Physics
Political Science
Psychology
Sociology
Studio Arts
Theatre

Nursing and Engineering FDRG meetings/conference calls planned for summer
Faculty from Nursing and Engineering met in May to begin discussions of statewide efforts to align their curriculum and develop course descriptors.
Nursing FDRG will meet in June to continue their efforts to develop draft descriptors needed for their lower division nursing curriculum and a possible TMC or model curriculum.
Engineering FDRG members met and will be working this summer on developing draft descriptors and draft TMC(s) or model curriculum to be posted in Fall 2012.

Recent survey of CSU Articulation Officers found that 6 CSU campuses have stated an increase in their CCC course articulation (some 370 courses) based on C-ID approved courses; 5 CSU campuses reported that they are just beginning the process now or this summer; much of the increased course articulation was reported to be with CCCs out of their immediate service area. For more information of CSU to C-ID Articulation please find the Four-Year Articulation Matrix at www.c-id.net

Course submission Excel document now available for AOs   As was discussed at the C-ID breakout at the CIAC annual meeting, AOs can now download from the C-ID website an Excel document with all of your submitted courses. Log-in and go the "View Submitted Courses" page and you will see a link to the Excel version of this list.

AO Power Point Training on the Course Submission Process
A reminder that the Power Point Training for AOs (especially good for new AOs) is available from the C-ID website http://www.cid.net/articulation_officers.html Watch for Webinar Training sessions for new AOs this fall.

.*Have a great summer!*
