Update on Approved Courses and TMCs

Presently, 90 CCCs have courses that have been granted C-ID numbers; range of courses approved is **1-91;**
Welcome recent newcomers;
College of the Siskiyous
Mt. San Antonio College

1771 courses have been granted C-ID numbers

344 (140 AG) (+2 from August) C-ID descriptors have been approved – in **31** disciplines

21 TMCs ; **3** more **TMCs** are currently being considered for final approval:
Anthropology
Philosophy
Spanish
New: Computer Science

TMCs in the queue:
Biology
Chemistry
Radio/TV/Film

453 AA-T and AS-T degrees approved in the Chancellor's Office (as of 7/30/12) Not updated in August due to a Curricunet conversion.

Counselor Training Sessions "Train the Trainer" – a big success

The CC Chancellor's Office, working with C-ID, offered 4 "train the trainer" workshops in August in Sacramento, San Diego, South Bay Area, and Los Angeles. These sessions proved highly successful with over 200 Counselors & AOs getting trained so they can now offer local workshops to their colleagues about the AA-T and AS-T degrees and C-ID. CSU and UC system offices were on hand to answer questions. The workshop handouts have been posted at www.sb1440.org under "Counseling".

Most Recent Final Descriptor Postings (August):
Economics (2)
Biology (2)

Draft Discipline Status Report
Anthropology – 1 descriptor Intro to Language and Culture) re-posted for vetting until October 15
Biology – Anatomy and Physiology should be posted as final very soon; a draft Anatomy and Physiology **sequence** will soon be posted for vetting until October 15: FDRG will be meeting soon to prepare 2 additional descriptors (for the TMC) & TMC for vetting (early Fall)
Communication – 1 draft descriptor (Persuasion) posted for vetting until October 15
Kinesiology – Kinesiology has recently drafted 5 descriptors for their activity courses and grouped them according to the activity areas (e.g. "aquatics"). They will be posted until October 15.
Mathematics – 8 draft descriptors to be re-posted for vetting very soon until October 15.
Radio/TV/Film – draft descriptors and TMC to be posted this fall for vetting

As always, please remind your faculty to participate in the vetting process!

Fall DIG dates scheduled
C-ID will host several DIG meetings in the Fall; the dates will be Friday, October 19 (South) and Friday, November 2 (North). Disciplines and locations to be announced soon.

The **Engineering FDRG** will be meeting in September to continue their work on developing descriptors and discussing a possible TMC.
We also continue to work with a **Nursing** FDRG.

AO Training Webinars on the Course Submission Process
The new Power Point for AOs has recently been edited to include information on the CSU Articulation and is accessible to all on the C-ID website.
http://www.c-id.net/articulation_officers.html.

C-ID will offer additional training webinars for AOs on:
September 7, 20 and 26.
Conference call log-in details recently sent out via the CIAC list-serve.

New Website Features HERE!
CSU AOs are now able to submit their C-ID identified comparable courses directly into the C-ID website.

Keep an eye on the COURSES page under the CSU list of disciplines and courses – the number of courses identified by CSU campuses as comparable to C-ID descriptors is growing steadily.

TCSU Approved Courses Expiring & Notices Being Sent
CCC AOs are starting to receive notifications from C-ID that TCSU courses already in the system with a date up to and including 2007 will be expiring on **February 28, 2013.** TCSU courses from 2008 will be expiring on **September 30, 2013**.
   TCSU courses from 2009 will expire on **September 30, 2014**.
   Courses that were granted TCSU numbers prior to 2008 will not automatically be granted a C-ID designation.
   All other courses will come up for review five years from the date on the Course Outline of Record (this is the date your campus approved the outline) as entered upon submission of the course to C-ID.
   The C-ID system will allow AOs to submit a Course Outline of Record against a C-ID descriptor in which an institution already has a TCSU approved course. Holly has recently sent individual campus notices with instructions of how to submit your CORs.
