April 1, 2009

Dear CIAC Colleagues:

Chico State University's 2009-11 catalog has been published and a copy will be mailed to you by the end of this semester. If you would like a preview of our catalog, it is available online at http://www.csuchico.edu/catalog/cat09/.

Please note that Chico has three new majors (pending final CSU Chancellor's Office approval): **Animal Science BS, Chemistry BA,** and **Legal Studies BA**. Requirements for these majors can be found in the online catalog cited above, or interested students may contact our College of Agriculture at agr@csuchico.edu, our Department of Chemistry at chem@csuchico.edu, or our Political Science Department (which houses our Legal Studies) at politicalscience@csuchico.edu for more information.

Attached is information on curricular changes to Chico State's lower division course offerings, arranged by category. Note, our English Department will articulate without further review previously-qualified CAN ENGL 8, 10, 14, or 16 courses to our new-to-lower-division British and American Literature courses. You do not need to submit course outlines if your courses were qualified in CAN.

I will be rolling over our 2007-09 articulation agreements in ASSIST beginning in mid-May. If you have any questions, please contact me.

Sincerely,

Kathryn T. Barth
