### Purpose Statement (updated in 2022)

The Committee on Outcomes and Assessment (COA) has, as its primary goal, to facilitate an equitable, accessible, and meaningful learning experience for all Mesa students. To achieve this purpose, COA will establish and maintain structures and standards for outcomes assessment, create a framework for authentic assessment of learning, support innovation and provide professional learning around outcomes assessment, promote a culture that integrates outcomes assessment results into the continuous quality improvement cycle, and ensure Institutional Learning Outcomes reflect Mesa's Mission and curriculum.
