Purpose Statement

The Committee on Outcomes and Assessment (COA) has, as its primary goal, to facilitate an equitable, accessible, and meaningful learning experience for all Mesa students. In order to achieve this purpose, COA will establish and maintain structures and standards for outcomes assessment, create a framework for authentic assessment of learning, support innovation and provide professional learning around outcomes assessment, promote a

culture that integrates outcomes assessment results into the continuous quality improvement cycle, and ensure Institutional Learning Outcomes reflect Mesa's Mission and curriculum.

Roadmap Objectives related to our work

- Scholarship SO2: Evaluate and improve Diversity, Equity, and Inclusion practices in classroom environments, campus activities, departments, schools, and administrative units.
- Scholarship SO3: Assess impact of prerequisites and corequisites on student success and revise curriculum, as needed.
- Scholarship SO4: Expand the use of innovative and high-quality teaching, learning, and support practices that achieve equitable outcomes and increase student success.
