1. DE Updates from district / SDICCA

- CVC/OEI Consortium news (any new info, next steps... ). How/how much do we want our committee to be involved in this effort?
- 

2. Letter / Invitation to Union Leadership about building Community Online & #allmodalities

- [We started drafting a letter: here it is so far.](#)
- We talked about creating a panel/event (we'd want to involve Janue in it)- do we still want to do that?
- We talked about a video or something like that featuring students and instructors to simply and clearly explain the value of having multiple modalities. Do we still want to do that?

3. [MOST projects report](#) (how it's going, anyone have updates they want to share?).

- Christina & whomever else has been working on it on the Course Check-Up doc, how to share it, feedback so far from deans, etc.
- Christina on progress with union language re: evaluations and distance ed. (If she's ready... no pressure if it is not there yet)
