Mathletics

Student Comments Winter 2018

- “Mathletics is AWESOME! Professors Juan and Spoon are very helpful. Juan specifically made trig easy.” (M.M.)
- “Mathletics is great. I’ve always had trouble grasping concepts with math. I’m glad there is a program for the rest of us to improve.” (V.A.)
- “I love the personal connection I made that helped me feel empowered taking math!” (S.A.)
- “I STARTED Mathletics anxious about math and halfway through I began to realize that I really think I can do this!” (T.S.S.)
- “I wish my classes were more like Mathletics! The staff and course work has been extremely helpful.” (J.W.M.)
- “Mathletics is a GREAT event for EVERYONE!” (E.M)
- “Mathletics is great because you get a one on one experience with professors as well as tutors that you may not have available inside a regular classroom.” (A.I.)
- “Mathletics was a great opportunity to refresh before the spring semester. All of the staff and tutors were friendly and helpful.”
