

SAN DIEGO MESA COLLEGE

Mathletics

Student Comments Summer 2017

- “It was an incredible boost to my confidence as a returning student. It was clear from the start the instructors, tutors, and staff were invested in my success. Mathletics is worth your time!” (T.S.)
- “Such a great and fun experience! Would do it again!” (J.P.)
- “I think the tutors are really knowledgeable and patient. I learned a lot.” (P.G.)
- “The math stations are the coolest!” (L.A.)
- “This program helped me feel more confident about my ability to learn new content and to seek tutor help in the future.” (A.B-S.)
- “Mathletics has helped me feel more prepared and excited for math this semester.” (B.S)
- “It was great having ready access to help. Feeling supported is key to learning math.” (M.M.)
- “The math stations really helped. You guys were really supportive too! Hope you do it again next semester and thanks for the gift card!” (C.D.)
- “Math stations are the way math should be taught!” (K.S.)
- “Mathletics was great first step to learning how to take advantage of the great resources offered at Mesa College.” (K.E.)
