
Black Leadership Fellows: Building Community Amongst the Campus

Jordan Nash & Robyn Bolden;
under VPSS Larry Maxey

Our Purpose

While creating events on campus for our students, our goal is to build and develop community, increase student engagement, and create rapport between students, staff and faculty.

Each event is intended to create a safe space for Black students on campus and promote equity, inclusion, and involvement. By doing so, we are aiming to help our students find their sense of belonging and foster their success here at Mesa.
