CAREER ADVANCEMENT	CIVIC ENGAGEMENT	DEGREES

STUDENT SUCCESS GOALS

| EXPLORE	LIFELONG LEARNING	TRANSFER

Organized along Mesa Journeys question "What is your educational goal?"
- Straightforward labels for success goals
- Active language instead of a passive for student resources, and academic and career related programs or information
- Collapsed categories "prepare for a career," "discover a new career," and "advance in current career" into single label "career advancement"
- Placed "associates degree and two year certificate" into single labels "degrees (which includes the bachelor's degree)
- Created a new category "civic engagement" to provide a path to unique programs at SD Mesa such as the Ethnic Studies program, art, theater, music, foreign languages, environmental sustainability, social justice opportunities, women studies etc…
- Created a new category "lifelong learning" for adult learners
- Created new category of "explore" for students who are unsure and want to see all Mesa has to offer

Student Success Goals:

- Career Advancement
- Civic Engagement Learning & Opportunities
- Degrees
- Explore
- Lifelong Learning
- Transfer

Click on goal and redirect to lists as shown below (these are all a work in progress, possibility of separating academic and career information from student services):

- View the Health Information Management Bachelor's degree exclusively offered at SD Mesa!
- Civic Engagement Learning & Opportunities
- View Certificate Programs at SD Mesa
- Lifelong Learning

Ability to select multiple categories/goals?
What would participation look like? How do we get students to do this?
