

What does your department do?

STAR TRIO provides students opportunities for academic development, assists with basic college requirements, and serves to motivate students towards the successful completion of their postsecondary education.

What do you do?

- Screen applications for program eligibility
- Coordinate & oversee the daily activities of the study lab
- Plan, organize, and coordinate program events & activities
- Oversee departmental budget & expenditures
- Monitor program participant's involvement & maintain appropriate documentation
- Assist with TRIO grant writing process

Which issues do you commonly help students and staff with?

Better understanding of our program and services

What do you like best about your job?

The great privilege that I have to work for an institution that provides not only high quality education, but provides opportunities, amazing experiences, unbelievable support and in many cases, provides hope, is priceless.

Congratulations!
