  - b. CEL page- need to update meeting dates for 2020-2021

    - i. Faculty do not want additional PL, they would rather maximize what they are already doing, do not want to sit in 3-4 hour workshop, would rather collaborate, need assistance collaborating with others at Mesa
    - ii. Wraparound support
    - iii. Faculty Inquiry Groups, Communities of Practices within departments- at their pace, designed from the bottom up
    - iv. Cornerstone platform- to help integrate PL, tentative adoption in Spring 2021- can we invite the district PD specialist to join the CEL Committee?
    - v. Reaching out to Mesa community that does not usually participate in professional development (the same people come to everything) – we need to figure out WHY they do not participate
    - vi. Long term- how do we look at what in program plans, and align PL with program plan goals they need to meet

- vii. Flexible approach to learning, make sure that we keep in mind just-in-time or on-demand training as needs arise, keep it simple, small bites, keep an awareness that a lot of people are reaching max capacity
- viii. Asynchronous activities
  - ix. How to manage under the current pressures we are facing? Selfcare/inner growth- we are whole people, acknowledging we are connected to a whole society (teaching the whole student, selfactualization- see bell hooks, friere, Bettina Love)
  - x. How do we capture projects/learning from places from places that are not the LOFT? (Strong workforce, district, etc...)
    - 1. What is institutional PL vs campus initiatives/departmental PL- this is difficult to define, what is this committee's role?
