The primary purpose of the Committee is to support and lead innovative campus initiatives that strengthen student access, success, and equity. The Committee makes recommendations to the President regarding student success and equity initiatives, including those outlined in the Student Success and Support Program (SSSP) Plan, the Student Equity Plan, and the Developing Hispanic-Serving Institutions (DHSI) Program - Title V Plan. The Student Success & Equity Committee will provide a platform for collaboration and communication across the College that will result in the integration of student success and equity efforts campus-wide.
