

# Sexual Assault Awareness Month

## **April is Sexual Assault Awareness Month!**

SPEAK is partnering with Center for Community Solutions and offering two free webinars during the month of April to raise public awareness about sexual assault and educate communities on how to prevent it.

### **Sexual Assault Overview**

Tuesday, April 21, 2020 11am-12:30pm

Description: This webinar will provide participants with an understanding of what sexual assault is from both a legal and non-legal perspective. In addition to this, this webinar will define consent and tools on how to provide support to survivors of sexual assault.

### **Disney, Porn, and Violence Prevention**

Monday, April 27, 2020 11am-12:30pm

Description: This webinar will analyze the influence of gender roles and rape culture within Disney films and porn. This webinar will help us understand how Disney and Porn influence society's views on sex.
