- The list of employees from industry will be recognized on the WBL website.

### How:

Two phases of implementation, Phase I – Spring semester, Phase II – Fall semester and each following semester

#### *Faculty - Phase I:*

- A list of Faculty who have partnered with Work-Based Learning in the fall semester will be posted on the SD Mesa WBL web page.
- Strong Workforce Committee members will vote electronically to determine the fall semester's awardee.

#### *Faculty - Phase II:*

- The campus will be asked to vote for a faculty member(s) who have facilitated/supported a WBL event during the spring semester.
  - a. The list would be provided from all the activities connected with the WBL program.
  - b. Space will be provided for write-in votes.

#### *Student - Phase I & II:*

- The campus will be asked to nominate students who have had an impactful WBL event experience.
- Strong Workforce Committee members will vote electronically to determine the semester's awardee.

#### *Employees from Industry - Phase I:*

- A list of employers from industry who participated in WBL events that were facilitated by the WBL team during the fall semester will be recognized.

#### *Employees from Industry - Phase II:*

- A list of employers from industry who participated in WBL events will be developed through two sources:
  - a. The events facilitated by the WBL team during the semester.
  - b. The events that were NOT facilitated by the WBL office. The campus will be asked to submit this information, if they so choose.

\*If approved by the President.
