## Mathletics

### Student Comments Summer 2018

- “The atmosphere was very conducive to learning Math.”
- “Very helpful and the tutors and everyone involved is friendly. I wish they had better dates and times but I’m glad it was Day/Night for students to choose? Very helpful and will recommend.”
- “This math program has helped me a lot to recognize where I stand as far as course selection. Great tutors!” (R.S.)
- “Tutors are very helpful. Great refresher before the upcoming semester; I feel more confident about my math class. It helped ease math anxiety about the first day of school. For once it feels like I won’t be behind on Day 1.”
- “This was so great! Everyone was so encouraging and nice. They make me believe I can get through it.”
- “Everyone is so helpful and friendly. I Love Mathletics!” (E.)
- “More time in the evening would be great in the lab with students.”
- “Great idea to prep for upcoming semester.”
- “Awesome Tutors!”
