## Mathletics

### Student Comments Winter 2019

- “Mathletics has been helpful in preparing me for my class.” (Daytime: L.B.)
- “Boosted my confidence on how I am going to in my course”. (Daytime: J.L.)
- “Refresh myself after a course and to brush up on some math I have forgotten.” (Daytime: A.P.)
- “It’s awesome! It’s been very helpful and I was nervous coming into it because I’m not very good at math but I’m glad I did. (Daytime: M.C.)
- “I’m terrible at math, so I’m here for some extra practice.” (Daytime: S.T.)
- “Learn more about math and the teachers here are amazing.” (Daytime: M.O.)
- “Helping me get a head start in a course I anticipate to be challenging, but rewarding. When you get an opportunity like Mathletics you need to take advantage of the opportunity.” (Daytime: L.S.)
- “Came to Mathletics to refresh myself before taking my course.” (Daytime: Z.A.)
- “I love Mathletics! I am more confident going into my upcoming math course.” (Daytime: A.P.)
- “Attending Mathletics was highly beneficial. The people working were very supportive and now I feel prepared to take Math 92.” (Night-time: Y.W.)
- “I’ve learned a lot here and now I’m much more comfortable with the topics.” (Night-time: R.S.)
- “It was really fun. If you love math or need help you should come to Mathletics.” (Night-time: M.L.)
