

Accreditation Midterm Report

NOVEMBER 17, 2020

PRESIDENT'S CABINET PRESENTATION

Recommendations

1. Revisit course and program assessment processes to improve the quality, effectiveness, and consistency of student learning outcomes assessment. Current Doing
2. Develop and implement a consistent formal self-evaluation process across all committees and that outcomes of that assessment be posted on the governance website.
3. Make student learning outcome assessment data and analysis accessible to the public.
4. Align College's strategic plans with the District's Strategic Plan; including the District's Facilities Master Plan. This plan should also be integrated with the College program review process and with the on-going and routine facilities assessments.
5. Development and disseminate robust committee meeting minutes that include constituent dialogue and feedback. Make these minutes are available on the governance website.
6. Post the President's Cabinet minutes, purpose, goals and agendas on the governance website.
