C-CERT Training

We are pleased to report that 16 new or current members of the Campus Community Emergency Response Team (C-CERT) spent the majority of their spring break training to respond to a campus emergency.

Some of the topics covered were Disaster Medical Operations, Hands-Only CPR training, Light Search and Rescue, and PASS Fire Extinguisher training!

We will hold another training session in June 2024 in preparation for a Safety Fair scheduled for October 2024.

Special thanks to Matthew Fay for managing this training opportunity and his ongoing efforts to keep the campus community safe!
