# October 22<sup>nd</sup> – Extended PIE Committee

On October 22<sup>nd</sup> 2019, the Planning and Institutional Effectiveness (PIE) Committee held an extended meeting with members of the President's Cabinet, Budget Allocation Recommendation Committee, and Master Plan Task Force.

Together, they worked on integrated planning assessment- looking at other college's integrated plans, as well as Mesa's current plan.

# Recommendations for Mesa College's Educational Master Plan:

- Connect students to all elements in planning
- Show relationships between/among plans
- Create standard definitions of terms with timelines
- Align definitions with accreditation standards
- Embed evidence throughout
