

PCAB Report - Mesa Pathways
10.18.22

Academic and Career Pathways (ACP) Workgroup:

MPC is in the process of creating an ACP Workgroup to discuss, plan and create an action plan with a timeline for the introduction of ACPs to our campus (especially to our students) via webpages, events and other action items needed to move the APCs forward.

A small group from a variety of different constituency groups have been contacted to serve on this committee. Once the team has been formed, we will solidify meeting dates and times.

College of Continuing Education Workgroup Update:

The CCE Workgroup has solidified a date for the CCE at Mesa Day, which will be held in spring semester on March 8th, 2023. Planning will officially begin at this month's meeting.

College Connections is returning to connect CCE students to opportunities at Mesa College! With the guidance of Professor Jaime Lenke, who served on the Regional Pathway group that developed the College Connections classroom presentations in 2015, the CCE workgroup will develop a presentation, which will be filmed and presented to students at CCE.
