College of Continuing Education:

A reminder that CCE at Mesa Day will take place on Wednesday, March 15th from 8:30am-12:30pm. Students from CCE will be invited for presentations, classroom demonstrations and a resource fair. Participants can register for free via Eventbrite: <https://www.eventbrite.com/e/cce-mesa-day-tickets-460298785057>

Program Mapper:

We are pleased to share that Exec has approved Mesa Pathways moving forward with the Program Mapper, which will be a customized visual representation of the Mesa College catalog intended to clarify the path to program completion for our students in a user-friendly format that is easy to understand. We are eager to follow the footsteps of Miramar and collaborate as a district in the utilization of this tool. Many thanks to the Technology Workgroup, including Ian Duckles, Jennifer Kearns and Joel Arias for their insight and knowledge that helped inform this important development. Next steps will include meeting with district leadership to begin planning for implementation. We are hopeful the Foundation for California Community Colleges will be covering the cost associated with the tool, but are awaiting additional information.
