

**PCAB Report
Mesa Pathways
2.7.23**

Technology Workgroup:

The **San Diego Mesa College** (*student-facing*) [Academic and Career Pathways \(ACP\) webpages](#) are now live, and photos are continuing to be added to the ACP pages that correlate to the programs, with additional marketing in the works. This workgroup continues to work with the Mesa Pathways Leadership Team to identify a technology solution to consistently display, format and update program maps on our website.

Onboarding and Career Exploration:

OCE's focus for spring semester will be on the creation and release of a digital Viewbook, as well as [Mesa Journeys](#) 3000, an updated version of Mesa Journeys tool.

College of Continuing Education:

CCE at Mesa Day will take place on Wednesday, March 15th from 8:30am-12:30pm. Students from CCE will be invited for presentations, classroom demonstrations and a resource fair. Participants can register for free via Eventbrite: <https://www.eventbrite.com/e/cce-mesa-day-tickets-460298785057>

Student Success Teams (SST):

The Student Success Team will continue their pilot into spring, with monthly communication with students in the pilot cohort through the semester with additional targeted check-ins focused on summer/fall enrollment and submission of FAFSA. The bulk of meetings for the spring semester will focus on planning for the 2023-2024 academic year. A preliminary report on the SST pilot has been created and the outcomes will be shared in a future meeting.

Data Coaches:

The Fall 2022 Data Coaching pilot program successfully trained three data coaches over the course of the semester. A participant survey was conducted to collect feedback and improve the program in the future. A report recapping the Fall 2022 pilot program is available here: [Link to DC Debrief Document](#) and planning for the spring semester is in the works.

ACP Workgroup:

The ACP Workgroup will reconvene at the Mesa Pathways working meeting to be held on Wednesday, February 8th. The group determined that its work will be centered around two ACPs: Education & Guidance and Engineering, Math & Sciences.

Call for Members: Pathways Workgroups and Project Teams:

If you are interested in becoming involved in a Pathways workgroup or project team, please reach out to Marisa Alioto (malimoto@sdccd.edu) or to Howard Eskew (heskew@sdccd.edu).

Next MPC Meeting: Our first Mesa Pathways Committee Meeting for the spring semester is scheduled for Wednesday, February 22nd from 12:45 - 2:15 pm (meetings are held online via Zoom). We will also hold a Mesa Pathways working meeting on Wednesday, February 8th from 12:45 - 2:15pm.
