Mesa Reaches 75% Outcomes Milestone - Thank You!

I'm excited to share that we've officially met our collegewide CLO goal: 75% of outcomes with results have now been entered into Nuventive! Even more remarkable: for the first time in around 10 years, we've stayed on track with our Year 3 milestone in the college's 4-year outcomes timeline.

This achievement reflects our shared commitment to equity, excellence, and continuous improvement. Special thanks to the ACCJC Outcomes Workgroup, Lead Faculty, Deans, and Classified Professionals for your leadership, collaboration, and tireless effort.

Thank you all for making this happen. Let's keep the momentum going. Year 4 is ahead, and with it, more meaningful work to deepen our culture of learning and improvement. We're on the right path—together.

The San Diego Mesa College Foundation's signature fundraising event, Spirit of Mesa, celebrates year two!

This event will focus on how Mesa's mission is all the more critical at this moment in time. The event brings together leaders from across our community who share a passion for equity and excellence in education.

Join us and other regional leaders on the beautiful San Diego Mesa College campus to celebrate the achievements of students, showcase the role of the Foundation, and honor the generosity of donors and sponsors. Together, we can ensure that nothing stands in the way of San Diegans working hard to get an education.

SDCCD Launches SDCCDsafes: Turning Your Smartphone into a Safety Tool

In the coming weeks, the San Diego Community College District will launch SDCCDsafes, a free app that turns your smartphone into a safety tool. Safety at all SDCCD campuses and facilities is a top priority, and this new app will provide students and employees with another way to protect themselves with such features as:

- Placing a direct call to College Police or the 9-8-8 Crisis Lifeline.
- Setting up a virtual "Friend Walk" so a friend or family member can make sure you arrive at your destination safely - whether to a classroom, a parking lot, or even somewhere off campus.
- Reporting an anonymous tip.

The app will be available for download from the Apple App or Google Play stores in mid- to late-June. A notice will be sent out when the app is live.

More details about the app and other District safety services are available at sdccd.edu/safety

Recap | July 06 - 12: SD Mesa College Study Abroad Program - Japan.

Meanwhile in Japan... Our San Diego Mesa College professors—Vera Hanaoka and Yuka Brown (happy belated birthdays!)—and our study abroad students have officially arrived for the Study Abroad Program. After five months and 1,000 cranes, they've successfully delivered this meaningful project at the Hiroshima Peace Park ([see video](#)).

A heartfelt thank you to everyone who contributed to the [1,000 Paper Cranes Project](#). Wishing you all a wonderful summer ahead!

Student Affairs is pleased to present the **FALL 2025 Welcome Week** on **Monday, August 25th** through **Thursday, August 28th!**

We strongly encourage all departments that want to have an external (i.e. outdoors) set-up to request space at the Welcome Week booths on the Mesa Commons so that we can all support each other while we support our students; follow the instructions in the online form to request space at the Welcome Week booths if you are planning to host an outdoor activity. Other Welcome Week related set-ups, such as requesting a table and chairs to be placed right outside of your office space, *must be submitted separately through the usual event planner process*; we still ask that you let us know about your activity so that we may include it on the schedule of Welcome Week events!

Please submit your activities to the online [Welcome Week Activity Form](#) no later than **Friday, August 1, 2025**. If you have any questions about the general set-up area, please contact Courtney Lee (clee@sdccd.edu) in the Student Affairs office for more information. Put on your creative hats and submit your event using the online Welcome Week Activity form. We look forward to a welcoming, festive, engaging Welcome Week!

OFFICE OF *Institutional Effectiveness*

Extension of Pause on Ad Hoc Requests

Earlier this year the Institutional Research (IR) Team announced a temporary pause on all ad hoc requests until June 30, 2025, to allow for a transition to new data tools including SQL and Power BI.

To support emerging institutional priorities, our team is currently dedicating resources to the Developing Hispanic Serving Institutions (Title V, Part A) Grant application, due July 3, 2025. As a result, the transition to our new tools is temporarily on hold.

To ensure adequate time for this transition, the pause on ad hoc requests is now extended through July 31, 2025. Any new requests submitted before then will be added to our queue and reviewed in August 2025.

We appreciate your understanding and support during this time. For questions, feel free to reach out to:

Nancy Cortes at ncortes@sdccd.edu

Hai Hoang at hhoang@sdccd.edu

Districtwide Dashboard to Replace Mesa's Enrollment Dashboard

Beginning Monday, June 23, 2025 the [SDCCD Enrollment Dashboard](#) will serve as the primary source for enrollment management data across the district. As a part of this transition, Mesa's *Enrollment Daily Dashboard* will be retired and removed from Mesa's dashboard webpage.

This change reduces duplication of work, minimizes data discrepancies, improves comparability, and streamlines the user experience with a single access point.

To access the dashboard, visit the Mesa College Dashboards page (you can find it by Googling "Mesa College Dashboards" and clicking the first result). Then, under "Operational Tools" section, click the link labeled "*SDCCD Enrollment Management*."

For questions, feel free to reach out to **Adriana Caetano** at acaetanofournier@sdccd.edu.
