

## Resource Prioritization Rubric

Directions: Each response should include accurate and relevant data, meaningful analysis of those data, and a clear connection of those data to the program/unit action plan. Relevant data may include data beyond what is provided by the Office of Institutional Effectiveness. Writers should include any and all data they deem relevant to the request. Responses should include considerations around impact to campus practice, proportion of students/employees impacted, impact on equity, and specialized expertise needed to support programming.

Each question is scored from 0-10 on the following continuum. Additional guidance can be found below.

	0	1	2	3	4	5	6	7	8	9	10
