

SAN DIEGO MESA COLLEGE INNOVATION RESEARCH LAB

Meet the Instructional Assistants

Jazmin Nunez

MAJOR: Environmental Science with a focus
in Marine Science
Fluent in Spanish & English
Member of SACNAS & Women In Science

Nelson Zaragoza

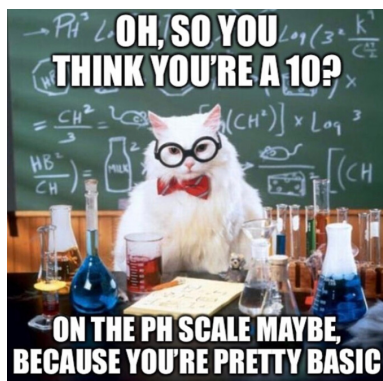

MAJOR: Applied Math
Fluent in Spanish & English

Seth Cardin

MAJOR: Electrical Engineering
MINOR: Spanish
President of the Mesa Engineering Club
NAVY Veteran

STEM MEME

ROOM: B-106

PHONE: (619) 388-5135

MESAIRL@SDCCD.EDU

HOURS OF OPERATION:

MON: 8AM - 5PM

TUE: 8AM - 5PM

WED: 8AM - 5PM

THURS: 8AM - 5PM

FRI: 9:30AM - 12:30PM

SAT: CLOSED

SUN: CLOSED

FREE COFFEE AND HOT CHOCOLATE EVERYDAY!

- **LENOVO LAPTOPS (TOUCH SCREEN) & HP DESKTOP COMPUTERS**
 - PROGRAMS: DR JAVA, GOOGLE EARTH PRO, AND MORE COMING SOON, E.G., MATLAB, C++, ANSYS
- **FREE PRINTING SERVICES**
 - BLACK AND WHITE PRINTER
 - COLOR PRINTER
- **WHITEBOARDS**
- **CALCULATORS**
- **LCD TV SCREEN**
- **CHARGING STATIONS**

STEM Transfer Workshop

On October 17th, the Innovation Research Lab hosted a STEM Transfer Workshop. Guest speaker Patty Rodriguez (STEM Counselor) spoke about the University of California, California State University, and private school application requirements and application fees. Since most of the workshop attendees were interested in transferring to San Diego State University, she informed students about the SDSU Transfer Admission Guarantee. Students who attended the workshop were able to ask their transfer questions.

STEM Clubs in the IRL

Engineering Club

"In the engineering club we focus on both the professional and educational sectors of engineering. We are currently in the beginning phase of a group effort to design and build an Arduino based remote control car. We are a proud chapter of SHPE (Society of Hispanic Professional Engineers) and welcome all who are interested! SHPE is a fantastic networking opportunity for aspiring engineers to connect with current professionals. We host our meetings every 2nd and 4th Wednesday (3PM) of every month! See you there!" ~ Seth Cardin, Engineering Club

President

Innovation Research Lab Student of the Month

Aric Hurkman

Aric Hurkman is a Computer Engineering student at Mesa College. He is working towards a PhD in Computer Engineering (Quantum Computing) from UCSD. He's actively involved in the ComputerSci Club, Engineering Club, and Astronomy Club on campus. He has experience in Video Game Development, Web Development, IT Management. In addition, he is a Dean's List recipient. In his free time he enjoys rock climbing, snowboarding, and watching movies. He is a certified scuba diver (recovery diver).

Opportunity Drawing!

<https://tinyurl.com/irloctober>

The Innovation Research Lab is launching its first opportunity drawing! One student will win this Student Exam Survival Kit. The Student Exam Survival Kit comes with one notebook, one folder, one Klean Kanteen bottle, one No. 2 pencil packet, two pens, one highlighter, five sticky notes, three note card packets, pencil grips, and erasers. To enter the opportunity drawing, follow this [link](https://tinyurl.com/irloctober). One student will be randomly selected on November 14, 2019 at 5PM and will be notified by email.
