Chemistry Peer Mentor Victor Manea

Hey ya! My name is Victor, and I am one of the Chemistry Peer Mentors. I am currently taking classes at Mesa in order to pursue a career in medicine.

Something interesting about me...I went to school in England for 10 years, so the accent is real, unlike Madonna's! Also, in my free time I enjoy playing with my dog Felipe, playing video games, and I'm also learning Spanish and Portuguese now.

I am super excited to help and meet as many of you as possible! And please don't be afraid to ask questions - we're all here to help!
