About us

Borderless Scholars supports Undocumented, AB540, Dreamer, DACA, Students from mixed status families, faculty/staff, and allies as well as the community at large.

Our program is designed to provide a safe and welcoming environment for undocumented students and undocu-allies. We support these students to overcome personal and educational challenges due to their immigration status.
We provide personal, career, and academic counseling, on-campus support services, and community resources including free legal services.

Allow us to be the support YOU need!
