

Student Success & Support Program

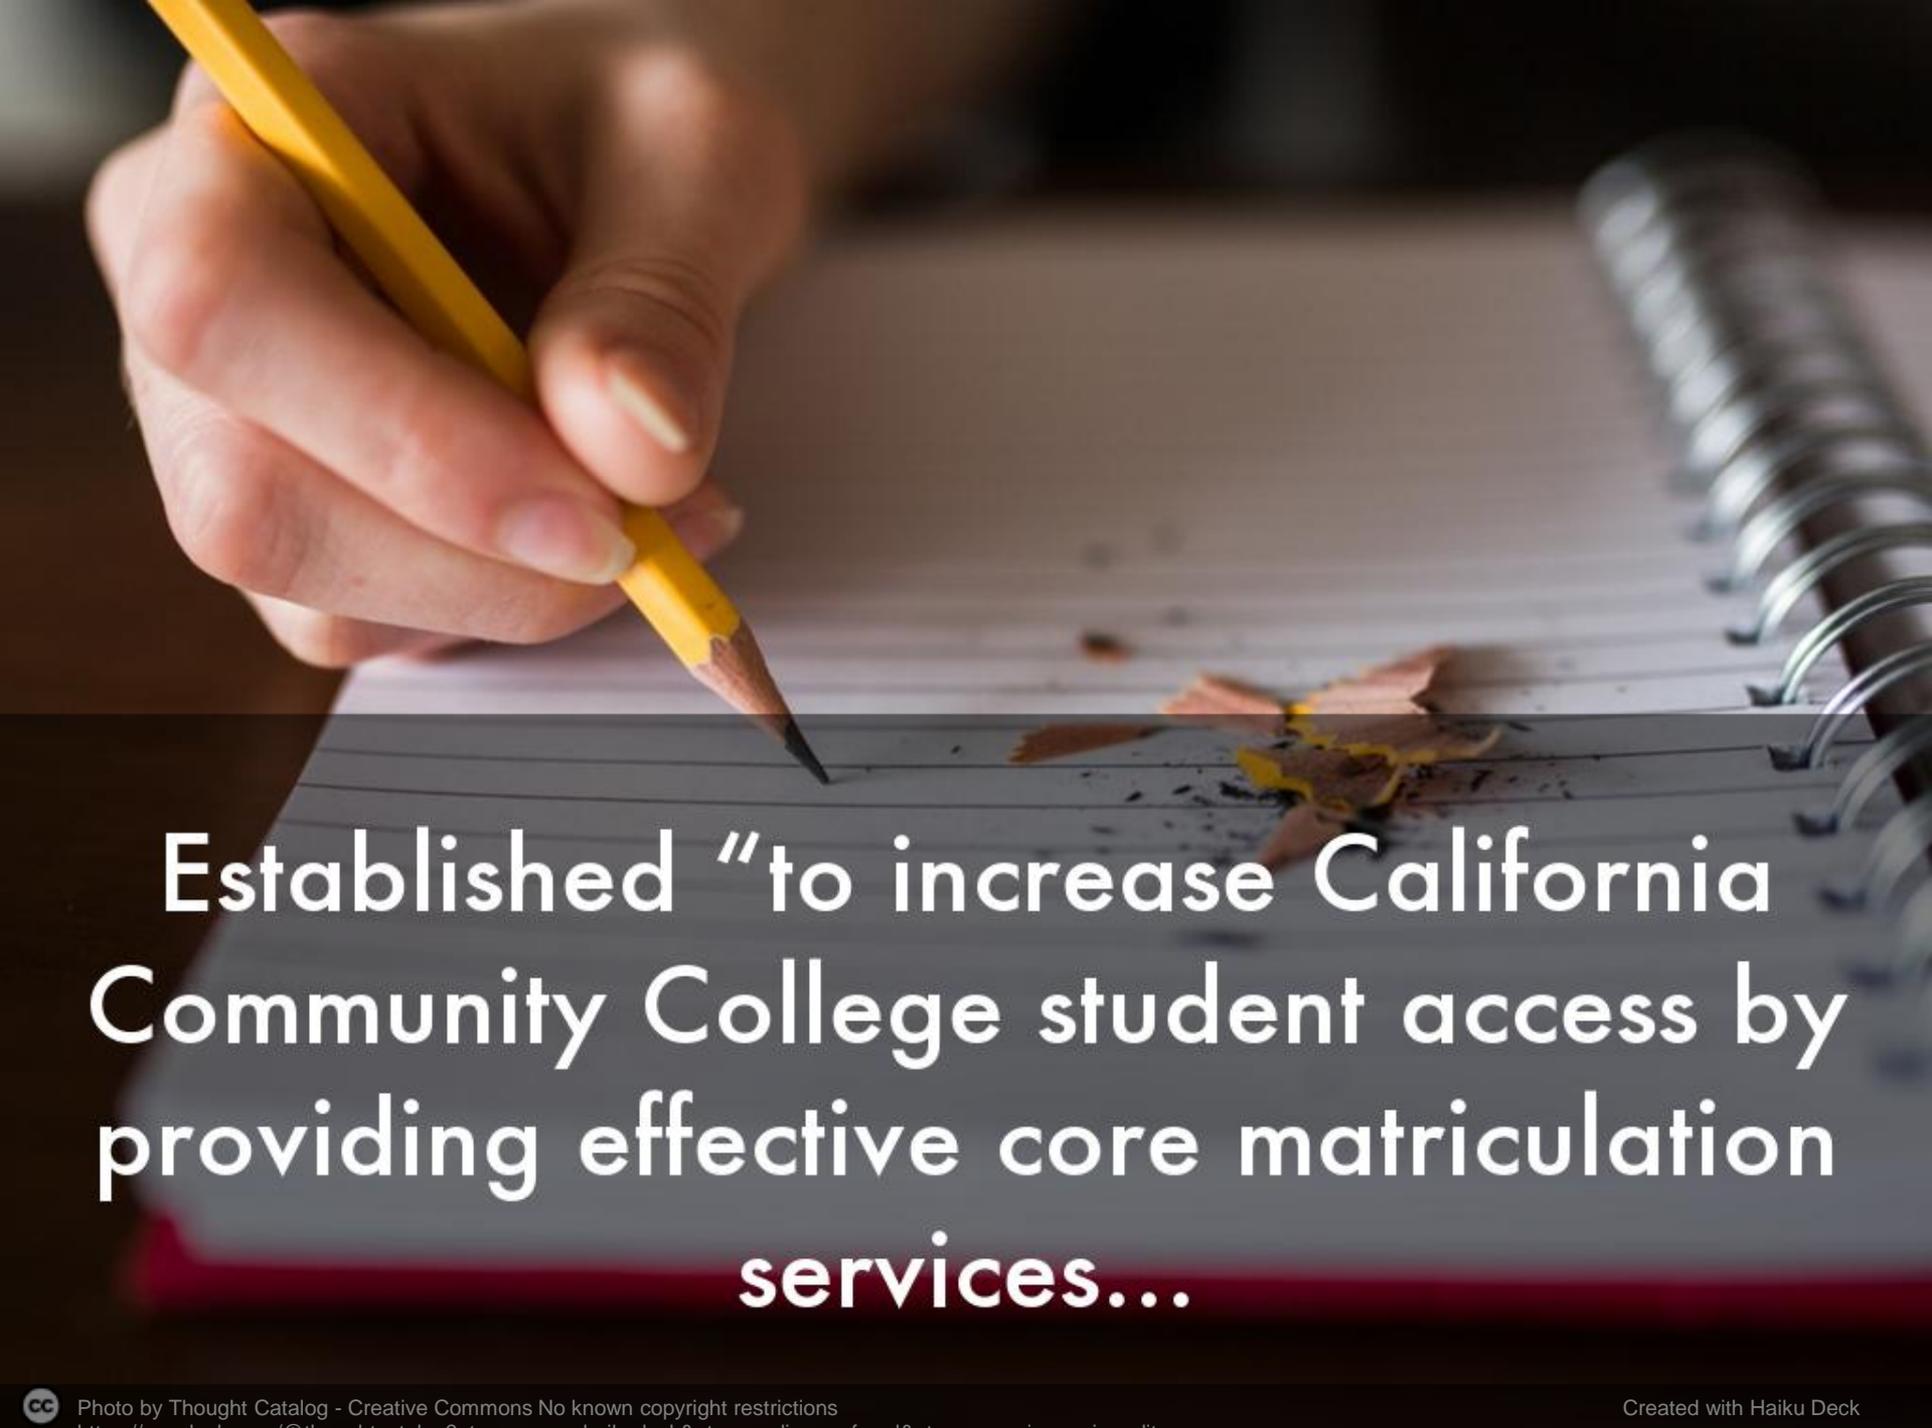

SSSP

Presented By: Ailene Crakes,
Acting Dean, Student Development

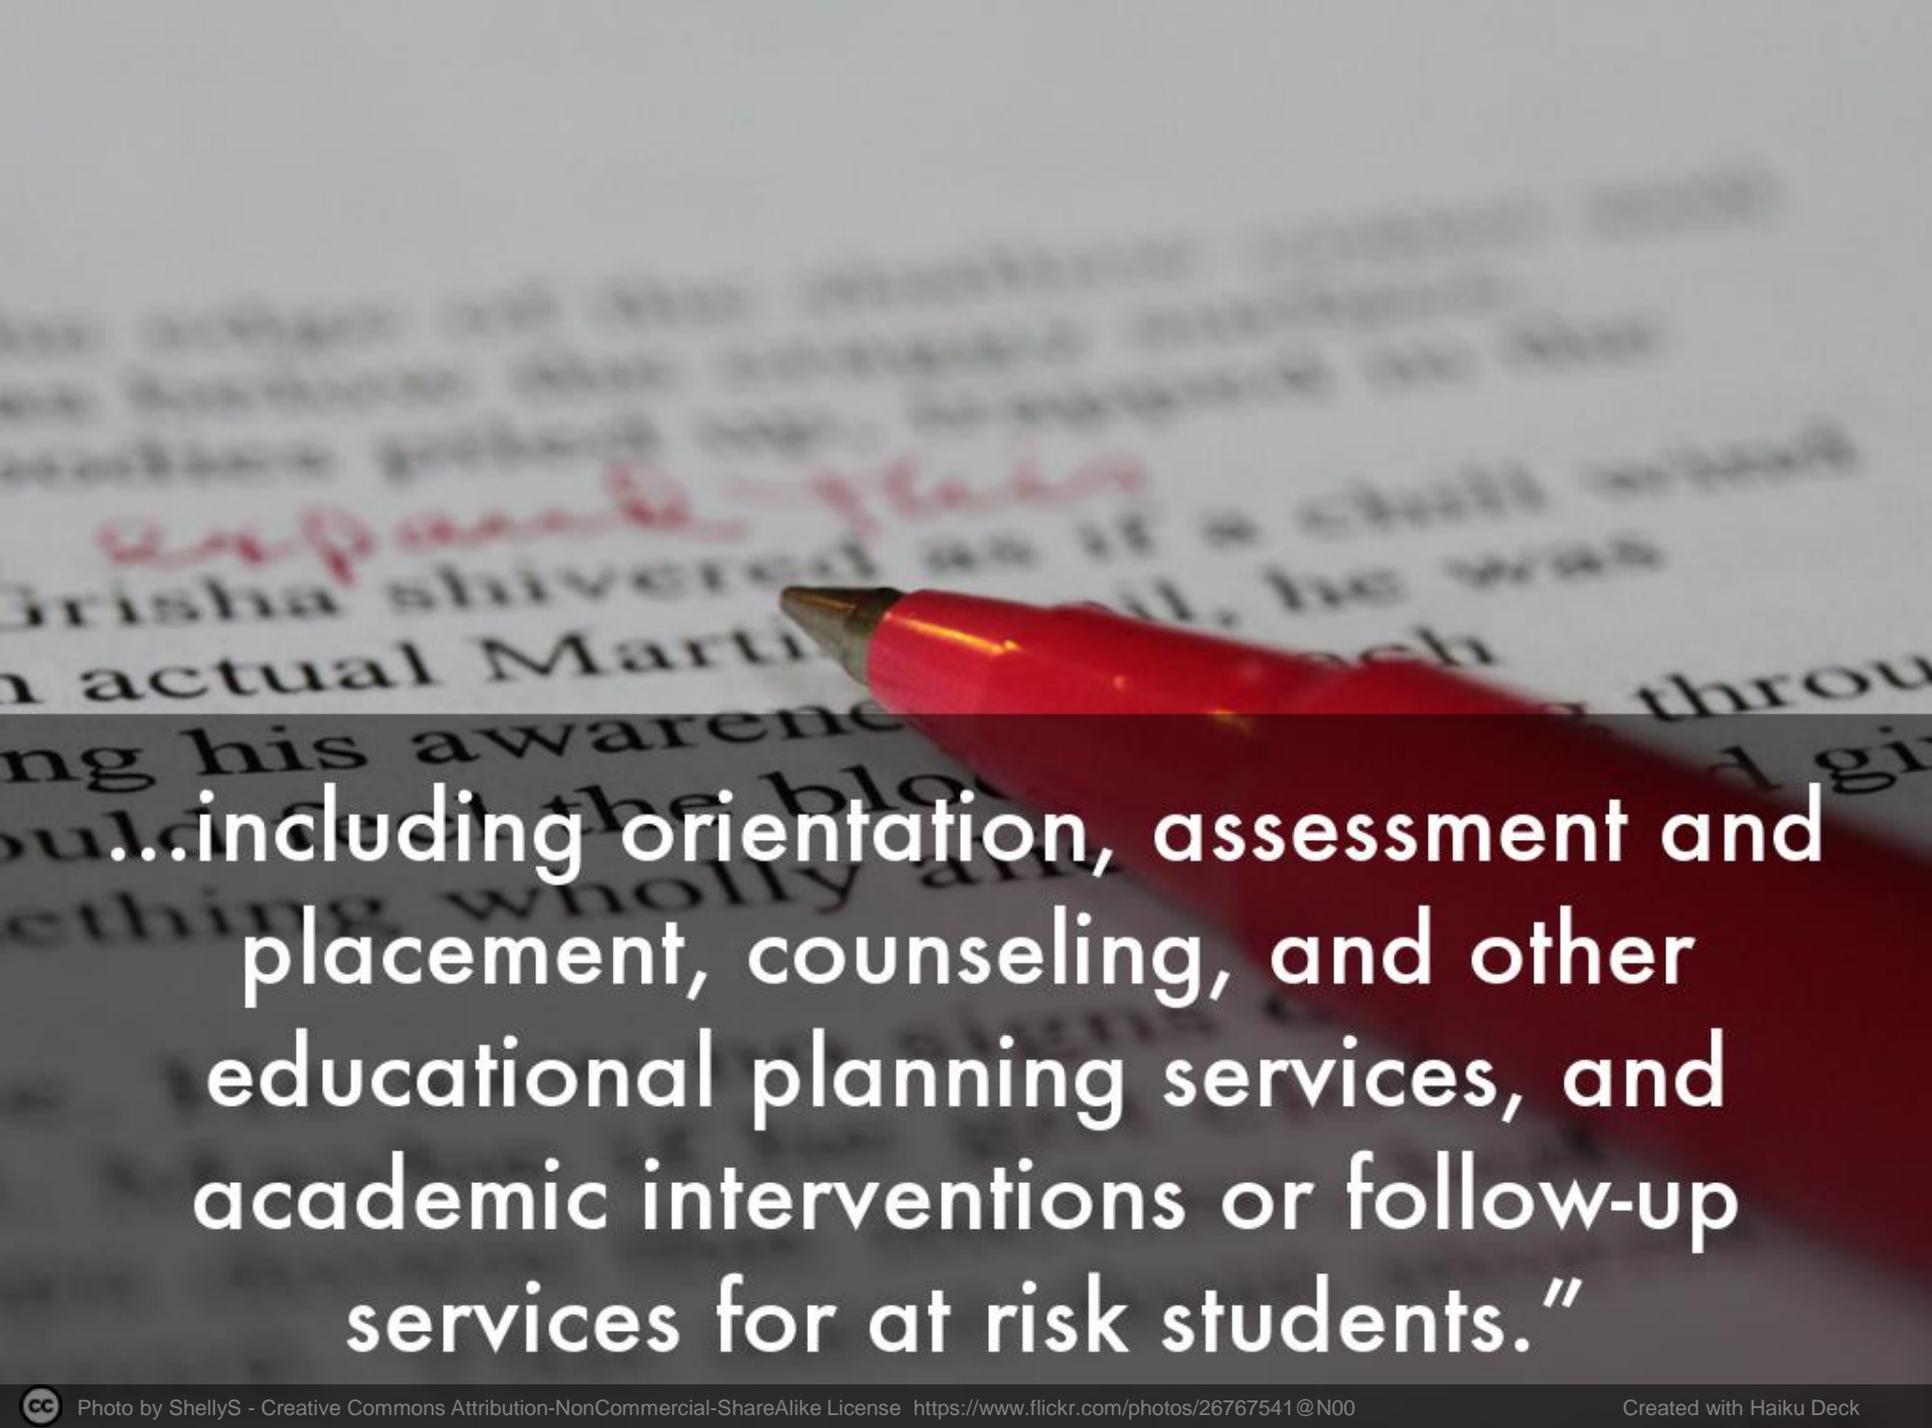

A group of five diverse young adults (three women and two men) are sitting on a grassy field, smiling and looking towards the camera. They are dressed in casual attire, including jeans, sweaters, and scarves. The background is a bright, green, out-of-focus field.

SB 1456

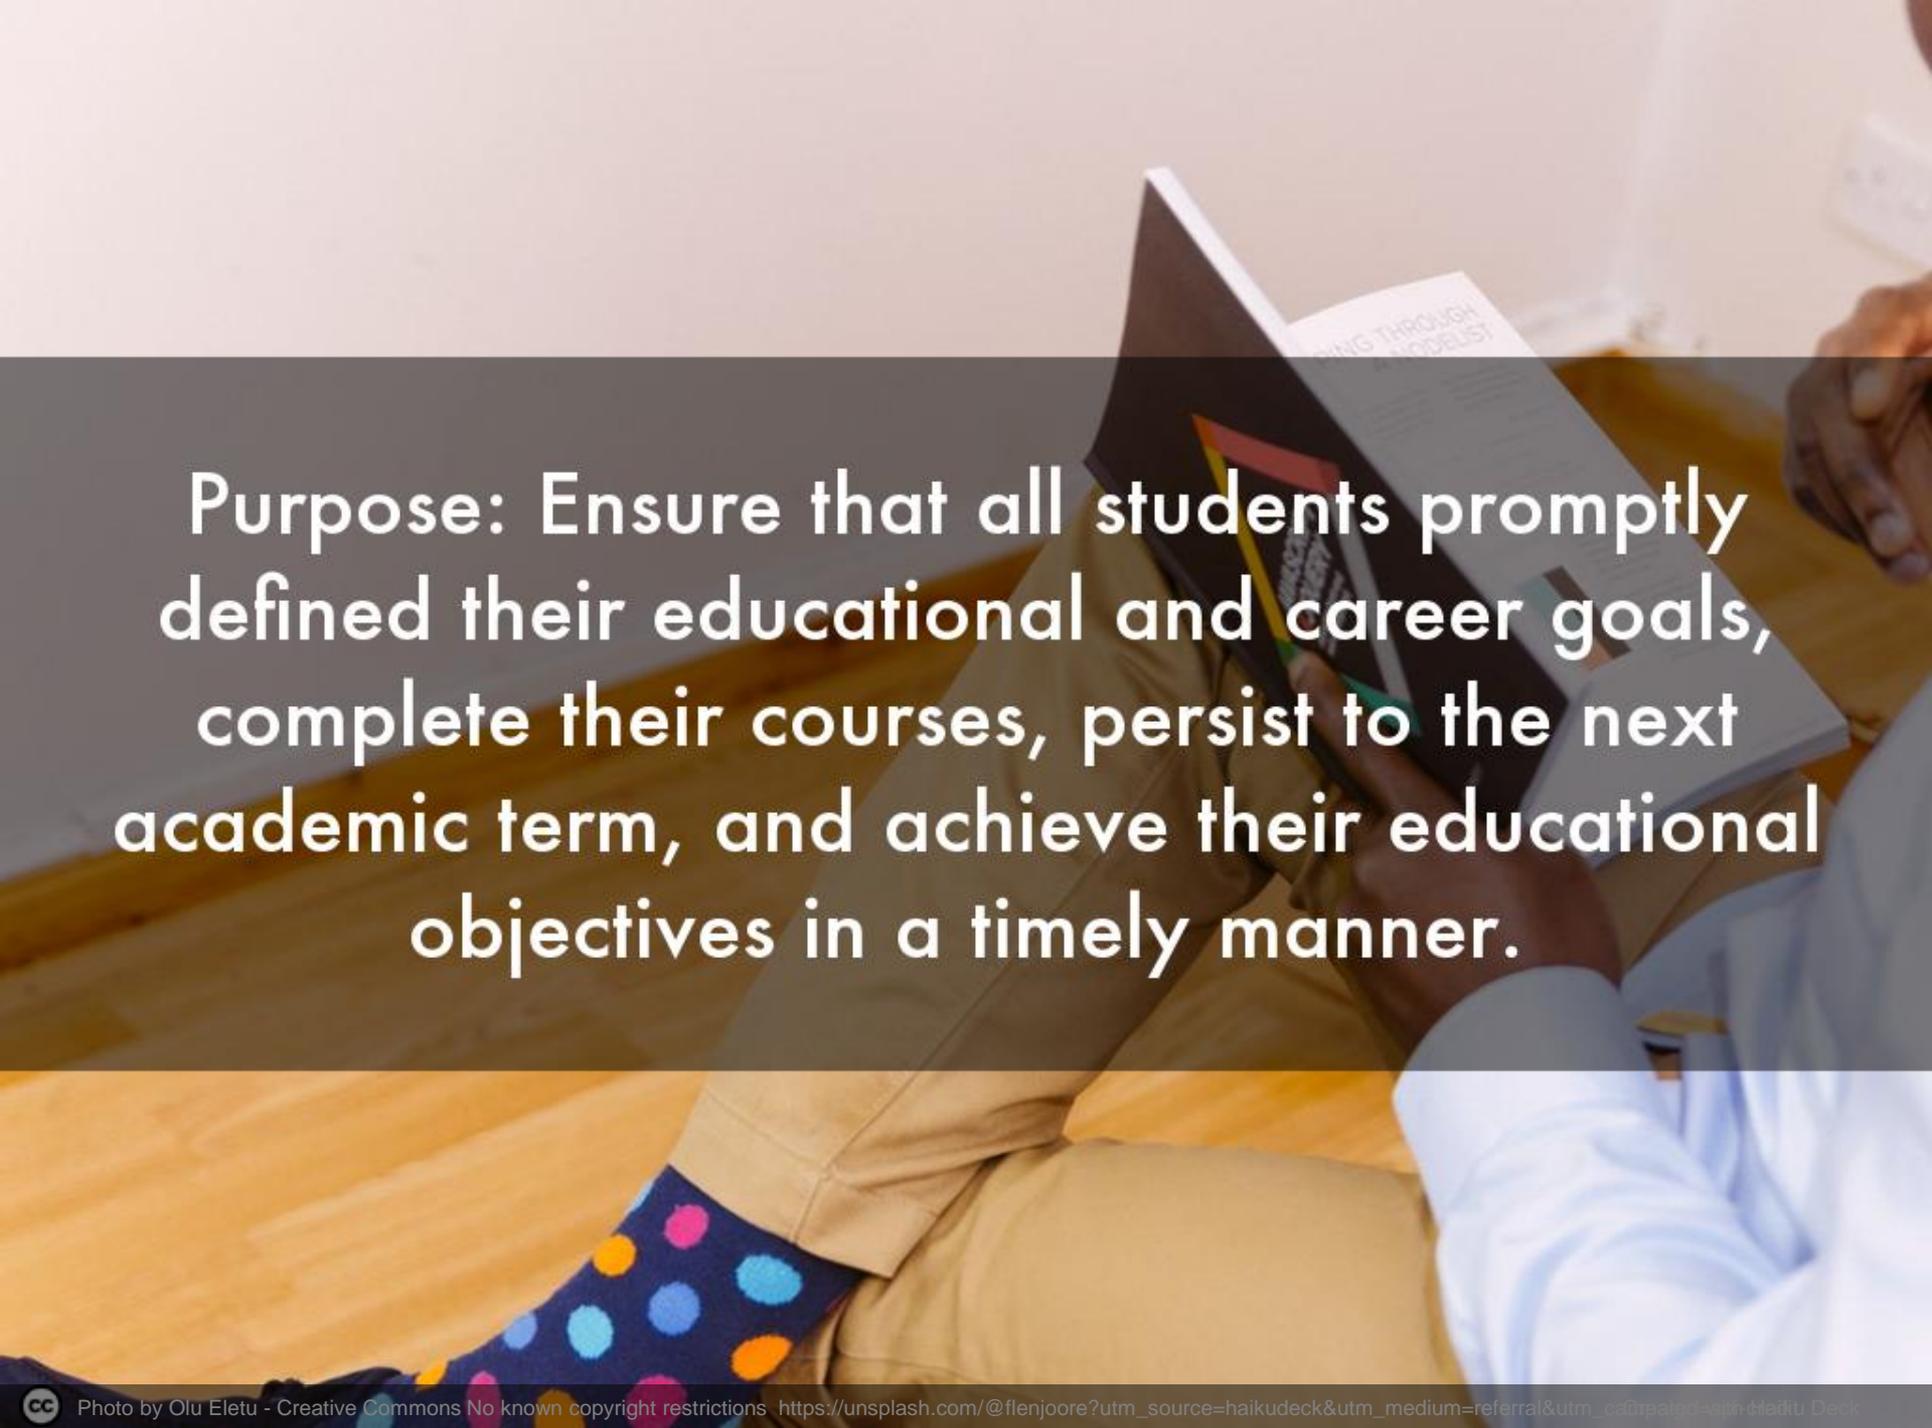

The Seymour-Campbell Student Success Act of 2012

A close-up photograph of a hand holding a yellow pencil, poised to write on a spiral-bound notebook. The notebook is open, and the page is lined. There are some pencil shavings and a small smudge on the page. The background is dark and out of focus.

**Established "to increase California
Community College student access by
providing effective core matriculation
services..."**

A red pen is positioned diagonally across the center of the image, pointing towards the bottom left. The background is a blurred document with some text visible, including the words "Grisha shivered as if a chill wind" and "an actual Marti".

...including orientation, assessment and placement, counseling, and other educational planning services, and academic interventions or follow-up services for at risk students."

A person is sitting on a wooden floor, reading a book. The book is open, and the title 'GOING THROUGH A MODELIST' is visible on the right page. The person is wearing a light-colored long-sleeved shirt and khaki pants. Their feet are wearing colorful polka-dot socks. The background is a plain, light-colored wall.

Purpose: Ensure that all students promptly defined their educational and career goals, complete their courses, persist to the next academic term, and achieve their educational objectives in a timely manner.
