Student Success &
Support Program

Every kid needs a champion… by Rita Pierson
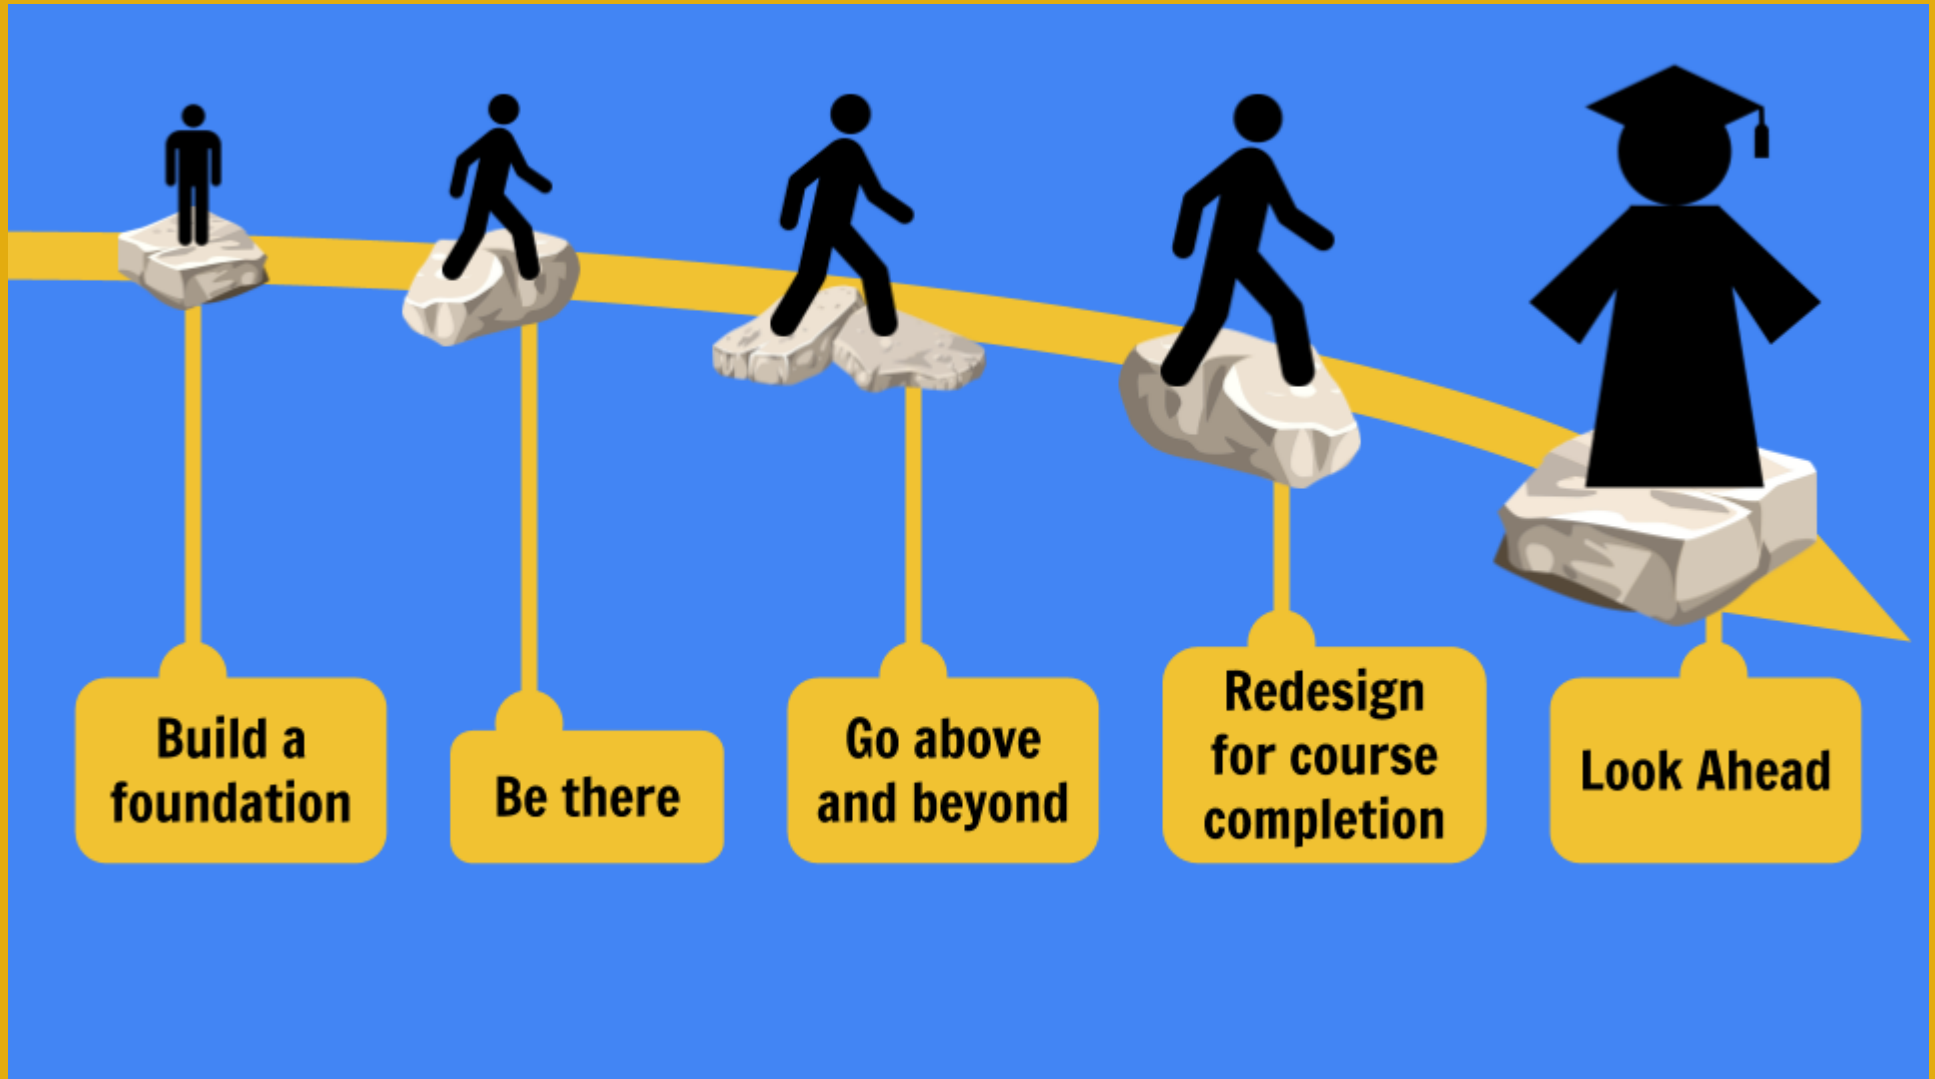

SAN DIEGO MESA COLLEGE

We need to connect with students personally...

And professionally.

Starting with integrating, aligning, and streamlining the way we connect with students through

Student Success and Support Program (SSSP)

Student Equity Program (SEP)

and Basic Skills Initiative (BSI)

Stepping Stones...

Build a foundation

Be there

Go above and beyond

Redesign for course completion

Look Ahead

Build a Foundation

1 Support a strong start for students by expanding core services of assessment, orientation, and education planning services

Expand Core Services, Placement Assistant, Reg Workshops, FYE, Summer Cruise, transportation, food, & housing assistance, mathletics, challenge process, corequisite offerings, embedded counseling, BSI Regional Partnership Project

Be There

2 Provide intrusive intervention services to students

Counseling Hotspots, contact students, follow-up calls, career services, BGFW, tutoring services, hot spots & embedded counseling, CE collaboration

Go Above & Beyond

(3) Encourage persistence

Comprehensive Ed Plan, Intrusive Support, Mentoring, Counseling. BGFW, Career & Transfer Workshops, Equity Conversation, Mitigate & eventually eliminate disproportionate impact, SYE, embedded tutoring, prof learning opportunties, high impact practices, living docs, team focused

Redesign for Course Completion

4

Support course completion of a transfer-level English or Mathematics course within a sequence of three or fewer courses

Expand core services to categorical programs, graduation checks, Summer Cruise, pathway redesign efforts

Look Ahead

(5) Support education goal completion

Encourage students to check on progress, SYE, Career Services, embedded hotspots, scale up embedded tutors, MT2C workshop attendance

Brainstorm

Brainstorm: What connections does Mesa offer students at each step?
