If you remain on the class roster beyond the withdrawal deadline the instructor must give you a letter grade even if you have stopped attending. If you receive an "F" for any reason, including nonattendance, you may have to pay money back to the VA. Be accurate as this information is reported to the Veterans Regional Office.

All NON-PUNITVE GRADES (W(Withdrawal) or NP (No Pass)) must be reported to the VA and may result in an **OVERPAYMENT**.
